

General information

Annexation into the City of Gresham can be initiated by a property owner if the property is contiguous to the existing City limits. Multiple parcels can be processed as a single application as long as the parcels are contiguous.

There are two types:

①

Expedited annexation

An application can be submitted if it includes petitions with written consent of 100% of property owners and 50% of registered voters in the affected area. No public hearing is required, but a 20-day notice of City Council's decision date is required.

②

Standard annexation

An application can be submitted if it includes petitions with written consent of 50% of property owners and 50% of registered voters in the affected area. A 45-day notice of the City Council hearing is required.

Code

Information about Annexations can be found in **Appendix 1** of the Gresham Community Development Code. The narrative statement must address all criteria listed in **A1.006**.
