

# Five-Year Consolidated Plan 2021-25

## Community Feedback Survey

### Instructions

Thank you for offering your opinion on housing, economic and community development needs for Multnomah County, the City of Portland, and the City of Gresham (the Consortium). The Consortium will provide multiple ways to comment between Fall 2020 and Spring 2021 to hear and make a record of your testimony. Your comments will help shape the goals and funding priorities for the Consortium's federal grant funds and will be published in the Five-Year Consolidated Plan 2021-2025.

Section 1 of the survey is to provide information about yourself and general comments about the needs in your community. In Section 2 of the survey please provide comments on the Consortium focus areas and help us prioritize these areas by ranking them in order of importance.

This survey will take no more than 10 minutes to complete.

- 1. Please comment on the housing, economic and community development needs in your community in the defined key focus areas below. If your comment refers to a specific area, city, or neighborhood, please specify in the comment boxes.**

**Rental Housing:** Increase the production and preservation of rental housing, with an emphasis on rental homes for households who face the greatest challenges finding housing in the private market.

*Example: Development of Affordable Housing*

**Homelessness Prevention:** Invest in programs with a proven ability to transition people quickly and permanently from homelessness to housing and programs that efficiently and sustainably prevent homelessness.

*Examples: Transitional Housing, Rent Assistance Programs*

**Homeownership:** Invest in programs and strategies proven to assist low- and moderate-income families to sustainably purchase a home or retain a home they already own.

*Examples: Down Payment Assistance, Homebuyer Education & Counseling*

**Home Repair:** Invest in programs and strategies proven to assist low- and moderate-income homeowners to repair their homes to ensure housing stability and assist in generational wealth building.

*Examples: Home Repair Loans & Grants, Energy Efficiency Upgrades*

**Emergency Shelter:** Maintain a community safety net that provides short-term shelter, information and referral services to County residents facing homelessness or housing crises.

*Example: Homeless Shelters*

**Economic Opportunity:** Invest in comprehensive, evidence-based programs that assist adults and youth to improve their economic conditions by increasing their incomes and assets.

*Examples: Small Business Assistance Programs, Job Training*

**Public Facilities:** Invest in community infrastructure development and redevelopment in low- and moderate-income neighborhoods to safeguard public health, improve livability and promote economic development.

*Examples: Park Improvements, Flashing Beacon Crosswalks, Community Centers, ADA Curb Cuts*

2. On a scale of 1 to 7 where 1 is the highest need and 7 is the lowest, please prioritize the areas of focus based on the need for programs to address each of them in your community.
