NEIGHBORHOOD SURVEY ONLINE- EXPRESS YOUR OPINION

The Neighborhood Association is launching a quick, 12 question survey to get your thoughts on Centennial. The survey is hosted through a platform called Survey King. Your opinions on the questions will guide the Neighborhood Association in deciding what issues to focus on in the coming year. Please take a few minutes to respond. The survey is completely anonymous. No one including the neighborhood association can identify who you are. The link below will take you to the survey. You can only respond once.

Centennial NA has been reactivated and we are interested in finding volunteers in the neighborhood who would like to help the board with disaster preparedness, public safety, social media and other activities.

A critical position to fill is that of the Land Use Officer, a board member who has knowledge of city land use codes and practices and who can be a dispassionate representative of the broad neighborhood interest when land use issues arise.

Neighborhood Association meeting minutes and agendas as well as other documents are posted on the Gresham City website at the CNA address listed on the other side of this flyer.

You are a critical part of making Centennial a great neighborhood. Participation makes all the difference. Get in touch!
