

SECTION 9.0200 CLEAR VISION AREA

General

9.0201 Street and Railroad Clear Vision Area

9.0202 Driveway Clear Vision Area

General

9.0201 Street and Railroad Clear Vision Area

A clear-vision area shall be maintained on each corner of property at the intersection of two streets or a street and a railroad. The clear vision area is triangular and extends to the curb of the intersecting street, restricting sight obstructions in the right of way as well as on a private property. The dimensions of the clear vision area and exceptions area described in the Public Works Standards (6.04).

9.0202 Driveway Clear Vision Area

All driveways and service drives to public streets shall provide clear vision areas on both sides of the driveway or service drive. The dimensions of the clear vision area and exceptions are described in the Public Works Standards (6.04).
